LEADING TRANSFORMATIONAL CHANGE

ABOUT THE KEYNOTE

In DDI's 2023 *Global Leadership Forecast*, 63% of leaders surveyed said managing successful change is a critical skill, ranking it in the top 5 of all critical skills. In the post COVID era, leaders are experiencing never-before-seen levels of hyper change, forcing organizations to develop leaders who are adept at operating in incredibly uncertain times.

Change is hard. Change is complex. But it doesn't have to be destructive because the reactions people have to change are very predictable.

In this incredibly interactive and entertaining Keynote, Engagement Expert Sardék Love seamlessly blends science with practicality, taking your audience on a captivating journey of true transformation.

Discover the secrets of leading change successfully.

Attendees will walk away knowing how to:

- Identify change allies and accomplices to the status quo, and tap into hidden gems to fuel your transformation journey.
- Navigate and triumph over resistance using actionable insights, dismantling barriers for a smoother transition.
- Secure buy-in from key influencers who are pivotal for driving change adoption within your organization.
- Ignite enthusiasm, commitment, and perseverance, transforming change from a daunting task to an exciting opportunity.

Change is a constant. Leading it successfully is optional. With Sardék Love, you'll get the toolkit for leading your teams through the inevitable chaos to achieve your desired results!
